

Regulation regarding mushroom picking in the Aube department

You can pick up a maximum 2 kg of mushrooms per person/day

The following species can be sold in "Aube" :

« Article 4 :

- Chanterelle (*Cantharellus cibarius*)
- Black Trumpet (*Cranterellus cornucopioides*)
- The Hedgehog Mushroom (*Hydnum repandum*)
- Penny bun, Cep (*Boletus* sp : *edulis*, *aeraeus*, *reticulatus*)
- Grey knight or dirty tricholoma (*Tricholoma terreum*)
- Cup fungi or "Sponge mushroom" (*Morchella* sp)
- Field Mushroom (*Psalliota campestris*)
- Parasol mushroom (*Lepiota procera*) »

Anything else than a knife to pick the mushrooms is forbidden
Any other wild mushroom sold in the region is illegal.

We remind you to pick mushrooms sensibly in order to preserve tomorrow's natural resources.
