## Presentation

The team at the Harbour Master's Office in Mesnil-Saint-Père are pleased to welcome you throughout the year to guide you in your choice of activities on the Lac D'Orient. Our main functions :  
management of the marina (welcoming both amateur and more experienced sailors )  
beach monitoring in July and August in Mesnil Saint-Père, Géraudot, Lusigny sur Barse).  
Far from the noise of engines, canoeing, pedal boating, diving and especially sailing in all its forms.

## Description

The new premises of the Harbor Master's Office were opened in 2006 in the Maison des Lacs. It also is home to various sailing clubs and the Service Littoral du Parc Naturel Régional de la Forêt d'Orient. Working closely with the Conseil Général de l'Aube, and the Forêt d'Orient Regional Natural Park, the Harbour Master's Office has a space for you to find out about the area, the activities offered in the park and clubs for sailing, diving etc.

If you want to moor your boat at the port, the hostesses will be happy to assign you a place as well as all the services provided with it (access to sanitary facilities, hook up points for electricity etc).

The Harbour Master's Office issues the required authorizations for sailing to boaters.

For this you must go to the Maison des Lacs with a valid certificate of insurance, a navigation license or an Orange Book and a membership card (if you belong to one of the lake's clubs).

If you are hungry or thirsty there are plenty of snack bars and restaurants here.

## Prices and schedules

Depending on if you join a club or not the rates are not the same. In addition, we differentiate the moorings on pontoons or buoys.

We offer reservations for the season, month, or week.

We also offer various packages available for you to enjoy this beautiful lake.

-The weekend package pontoon or buoys consist of two days of sailing on the lake and a night at the port either moored to a pontoon or buoy.

- Also the 5 weekend package include one free.

For the right to navigate there are different rates depending on whether you have a windsurfing board, a kite surfing board and dinghy or a double dinghy and catamaran or keel boat, as stated before, our rates are for the day, weekend, week or season.
