The Breakfast
Mission

Richard Murphy Architects runs an 'open office'. All major strategic decisions are taken after a monthly consultative office meeting involving everyone in the practice. The office runs a group personal pension and when we win a major project we like to go on a trip - to Barcelona in 1996, Paris in 1998, Dublin in 2002, Verona in 2004, Eichstatt/Munich in 2005, Budapest in 2006, Madrid in 2007, Amsterdam in November 2011 and Lisbon in January 2018.
