*Protect local wildlife*

Alderney Wildlife Trust completes ecological consultancy works independently under 'Alderney Wildlife Trust Enterprises Ltd' (AWTE). Past ecological works include:

- Marine habitat and species baseline surveys
- Seabird baseline surveys
- Terrestrial habitat and species baseline surveys
- Ecological and environmental desk-based reviews for government planning departments/regulators and developers

The trust also completes a range of wildlife surveys and collates a variety of ecological information regarding Alderney's terrestrial and marine environments. See [here](#) for more details.

If you are interested in the AWTE, please contact us [here](#).
