Become a patron

The Berks, Bucks & Oxon Wildlife Trust is an inspiring and dynamic organisation, which prides itself on being quick on its feet.

We are able to do so thanks to a group of key supporters, known as our Patrons. Their support of £5,000 or more each year enables us to respond to new opportunities swiftly and effectively. This small, important group of people often act as catalysts who encourage others to back our initiatives.

Patrons are kept abreast of projects of personal interest on a one-to-one basis. Their advice has helped us develop innovative and highly successful schemes, including the [Chilterns Chalk Grassland Project](#), as well as purchase new landholdings including Leaches Farm in the [Upper River Ray Living Landscape](#). Help to develop our networks is also of significant benefit to us.

To discuss joining our Patron group, please contact Estelle Bailey, Chief Executive on 01865 775476 or email patrons@bbowt.org.uk.
