More than 10 million special moments with nature during 30 Days Wild

Saturday 30th June, 2018

This year's 30 Days Wild is a record breaker. The challenge, which ends today, saw more participants than ever before. New analysis by The Wildlife Trusts show a 40 per cent increase on last year. The Wildlife Trusts estimate that over 350,000 people took part in this month's national nature challenge, pledging to explore nature on their doorstep every day during June.

BBOWT comments on HS2 Ltd's Green Corridor Vision

Monday 25th June, 2018

The Berks, Bucks & Oxon Wildlife Trust welcomes the aspiration from HS2 Ltd to create a green corridor along the route of HS2, and we certainly hope that it will create more wildlife habitats, and integrate these with the wider landscape.

Green watchdog consultation launched today

Thursday 10th May, 2018

Today the Government has published its consultation on creating a new environmental watchdog body to protect our natural environment when the UK leaves the EU. Joan Edwards, The Wildlife Trusts' Director of Living Seas and Public Affairs, says the watchdog must meet key tests if it's to be robust enough to adequately replace the current functions of EU institutions.
