Make a donation

All donations of whatever size will be warmly welcomed and used to help protect wildlife for the future and for the people of Essex.

Appeals

Donations are a great way to support the wildlife of Essex, contributing towards education, purchasing nature reserves, restoration work and on going management to protect these precious sites for the benefit of wildlife.

Campaigns

Essex Wildlife Trust is actively campaigning for many important conservation issues.

Fundraising Ideas

Every penny donated to Essex Wildlife Trust makes a real difference and if you would like to help us raise money for the Trust how about holding your own fundraising event.

Memories Last Forever

Let your loved ones love for nature live on by opting to receive donations in lieu of flowers to Essex Wildlife Trust. Every penny is appreciated and carefully used. If you prefer to send a postal donation please send these for the attention of Rosalyn Leclercq, Legacy Officer at Abbots Hall Farm, Great Wigborough, Colchester Essex CO5 7RZ. Please feel free to call on Rosalyn on 01621 862987 with any further questions.

Legacies - Have you a will for wildlife?

Legacies, whether large or small are crucial to the work of the Trust and some of our greatest achievements for wildlife have been made with the support of legacies.

Volunteering

Volunteering is a great way to support our work, whether you help with managing a reserve, work in one of our visitor centres or in the office.

Jobs

Would you like to work for Essex Wildlife Trust? Find out more and job opportunities in with Trust.

Events and activities

Our visitor centres organise a regular programme of events and activities for adults and families. The Trust has thirteen Local Groups across the county that organise a programme of walks and talks for local members. Non-members are welcome at these events.
