Christmas Cards & 2019 Calendar

Friday 21st September 2018

Spread the word about Essex wildlife this Christmas by sending an Essex Wildlife Trust Christmas card or buying a 2019 calendar as a special gift.

You can choose from our selection of cards, kindly donated by local artist Richard Allen, and our 2019 Calendar, with images from last year's Essex Wildlife Trust Photography Competition. 100% of the proceeds from these sales will support the work of Essex Wildlife Trust to protect wildlife across the county.

2019 Calendar - £7.99

Our 2019 Calendar is filled with stunning photographs of Essex wildlife and wild places – all award-winning entries in our recent photography competition, including, on the front cover, Alan Leeks' overall winner of a Dunnock feeding a Cuckoo chick.
