What's on

Join us

Protect local wildlife

Our visitor centres organise a regular programme of events and activities for adults and families. The Trust has fourteen Local Groups across the county that organise a programme of walks and talks for local members. Non-members are welcome at these events. Booking is essential for most centre events, so make sure you call or visit the centre in advance to avoid disappointment.

To search by keyword, event type, visitor centre / nature reserve or local group choose from the drop down menu and select [Apply](#). To clear and start a new search select the [New Search](#) button.
