## Join a GWT Local Group

Join us  
*Protect local wildlife*

**GWT is affiliated with seven GWT Local Groups from across the county, who meet locally for talks & walks and to support at a local level, the work of GWT.**

GWT is lucky to be supported by seven groups of dedicated folk around the county. Each group has it's own take on the wildlife trust – some running work tasks, some hosting evening talks, some fundraising locally on our behalf.

The groups are:

- Abergavenny
- Blaenau Gwent
- Chepstow
- Monmouth
- Torfaen
- Usk
- Wildlife in Newport Group (WING)

As a new member, you will automatically receive your Local Group programme with your welcome pack and any events run by the groups are included in our Events Guide, on our website and promoted via email to any members who wish to receive emails from GWT.

If you wish to join the Local Group directly, please click [here](#) for each group's contact details. There is no extra charge to join, but it means they can contact you directly with the latest news and events in your area.

Some of our groups are very busy throughout the year with an active and supportive committee. Other groups are in need of more help to set up their annual programme of talks and walks and to promote their activities locally. If you think you can help, please get in touch with the relevant chair. Either way, any group would be delighted to have you on board.
