### You're about to do something wonderful for wildlife...

Your support is crucial to Gwent Wildlife Trust. We believe that we can slow down the serious decline in nature. We can only do this though with the support of people who, like you, are passionate about wildlife. Together, we can protect more wildlife and habitats and reconnect more people with nature throughout Gwent.

Joining as a member with a monthly or annual Direct Debit is the most efficient and effective way to support us. [Join us by direct Debit here.](#)

If you are a UK tax payer, then your support can go even further, at no extra cost to you, as we can claim 25% of your subscription from the government.
