## Wildlife Trusts Wales

**Each of the six individual Welsh Trusts are supported by the Welsh umbrella organisation, Wildlife Trusts Wales.**

The six Wildlife Trusts in Wales work together for an environment rich in wildlife for everyone. Between us, we have 25,000 members and manage 230 nature reserves in Wales – covering more than 6,000 hectares of prime wildlife habitat, from rugged coastline to urban wildlife havens.

We manage land, campaign for wildlife, provide advice, and undertake a diverse and exciting range of education work, inspiring people about the natural world.

The Wildlife Trusts across Wales work together, taking action for local wildlife. For more information on the work of the other Welsh Trusts, across the length and breadth of Wales, see their local Trust websites:
