## Marine Scene Viewing Sites

### Marine Scene

Marine Drive, Douglas

### Visit our network of six sites around the Island's coastline

The Trust has a network of six viewing sites around the Island's coastline providing a great opportunity to see and learn more about our coastal and marine life.

Detailed information panels show image of the species you are likely to see, such as seals, dolphins, basking sharks and birds, as well as information on how to spot them and when. The accompanying binoculars provide everyone with the opportunity to better view the surrounding coastline to look for wildlife.

Go visit them at:

Marine Drive, Douglas

Kallow Point, Port St Mary

Bradda Glen, Port Erin

Niarbyl, Dalby

Breakwater, Peel

Old Grammar School, near Castletown harbour, Castletown
