

## Urgent funding appeal - electric pool vehicle

Tuesday 4th February, 2020

For some time, our team have been looking to reduce our carbon footprint and improve local air quality for the benefit of Manx wildlife and our global environment. The MWT team are required to travel to various parts of the Island, sometimes at short notice, in order to carry out their roles. This has made it necessary to often travel by car (although we would much rather use public transport!)

## Volunteer With Us: Hedgehog Survey Co-ordinator

Wednesday 30th October, 2019

We are looking for a volunteer to help us find out about the hedgehog population on the Isle of Man. The UK has seen a worrying decline in the species and a recent 'State of Britain's Hedgehogs' report (2018) estimated that between 2002 and 2017 rural hedgehog populations have fallen by a third. In the same time period, urban hedgehogs numbers fell initially but there are indications that this maybe levelling out or even rising slightly.

## Swimming enthusiast swimming around the Isle of Man to raise money for Manx Wildlife Trust and The Blue Marine Foundation

Friday 9th August, 2019

Mike Davis is a lifelong outdoor swimming enthusiast, who inherited this passion from his mum, who is from the Isle of Man. On Monday (12th August), Mike will embark on a challenge to swim around the coast of the Isle of Man in support of local marine conservation projects. The swim which will cover between 80 and 100 miles will take Mike over 20 days to complete. Mike will be raising money for Manx Wildlife Trust (MWT) and the Blue Marine Foundation.

## The huge opportunity facing Manx farming and wildlife

Monday 1st July, 2019

It's a win-win to fund wildlife friendly farming – for farmers, wildlife and climate change. It is a great time to show Manx wildlife organisations working together, and it is together we want to highlight how important nature friendly farming will be to future generations on the Isle of Man.
