The Trust's Council of Trustees is elected by the members, at our Annual General Meeting, for a term of three years.

These are the people who are responsible for the control and management of the administration of the charity. Their role is to support the Trust staff, set policy matters, oversee the financial status of the charity and to promote the Trust objectives far and wide.

A number of sub-committees oversee major areas of Trust work: education, finance, fundraising and development & research.

The Trust's AGM is held each May or June and all members are welcome to attend. We encourage our members to stand for Council too. So, if you could dedicate some time to helping the Trust, perhaps you have an expertise which could be helpful to us, then please contact us for more information:
