Protect local wildlife

What is your special wildlife moment? The exhilaration of seeing a fox on the path ahead that hasn't seen you... the beauty of bluebells caught in dappled sunlight through overhanging trees... or seeing your Grandchildren discovering a ladybird for the first time? As Montgomeryshire's leading conservation body, the Trust works to ensure that those special wildlife moments are here to stay but we need your help to do this.

Remember... every gift, large or small, can make a real difference.

Leaving a gift to the Trust in your Will can help us carry out vital work to engage with young people to inspire interest in wildlife; purchase and manage reserves to secure important habitats and species; and lobby on behalf of wildlife at a local and national level.

your choice

You can choose the type of gift you would like to leave in your Will:

- A sum of money
- A share of your estate

- A specific gift (e.g. *paintings, land*)
- A gift in memoriam (e.g. *donation in lieu of flowers*)

If you decide to leave a gift in your Will to Montgomeryshire Wildlife Trust, please let us know - this will be treated in the strictest confidence and is not binding in any way.

what to do next?

If you would like to speak to one of our staff about leaving a gift or would like more information, please call 01938 555654 or email: info@montwt.co.uk .
