## Uncovering Queenswood

# Uncovering Queenswood

Do you have special memories of Queenswood?

Did you grow up in the area and know Queenswood like the back of your hand?

Did you or your family work at Queenswood?

Were you there when the Tannery and Essex Arms Pub were moved to Queenswood? Or did you know them before they were moved?

Have you met a member of the Royal Family at Queenswood?

We want to hear your stories about what this landscape used to be like and how it has changed. We want to hear from people who walked in it or worked in it. We want to find out about woodland life, encounters with wildlife and memories of the turning seasons.

As part of the Queenswood Heritage Gateway project we would like to talk to people of all ages about their thoughts and memories of Queenswood to create a new oral history archive which will capture the unwritten history of the park for generations to come.
