Radnorshire Wildlife Services (RWS) is the consultancy arm of the Radnorshire Wildlife Trust.

We offer a full range of ecological consultancy services in mid-Wales, the Marches and beyond. We have rapidly built up a portfolio of wide ranging and challenging projects for private and public clients.

Our local expertise and knowledge allows us to offer cost-effective wildlife services to landowners, other consultants, local authorities and government agencies.

RWS has ISO 9001 accreditation, a recognised standard of quality management. We are a member of the Association of Wildlife Trust Consultancies.

All profits are used to benefit wildlife conservation in this beautiful part of Wales
