Buy bird food

Protect local wildlife

By feeding birds, you give them a better chance of survival during periods of food shortage. Hopefully your avian visitors will give you lots of pleasure in watching them appreciate your offerings!

There are two ways in which you can buy bird food from Radnorshire Wildlife Trust.

1. From our shop which is **open on Tuesday, Thursday and Friday mornings from 10am - 1pm.**
2. Online from [Vine House Farm](#). Vine House gives 4% of their takings to The Wildlife Trusts – a figure which they take the hit on and not a penny of that cost is passed on to their customers. Why do they do that? Because they think it's the right thing to do and an extension of the philosophy which drives Vine House Farm Bird Foods.

Working together 10 years for Wildlife

The Wildlife Trusts and Vine House Farm Bird Foods are celebrating 10 years of working together to protect wildlife. To date Vine House Farm donations have totalled over £1,250,000 with Radnorshire Wildlife Trust receiving £6,147

What our 10 year partnership means to me

'Vine House Farm bird food is a top seller in our little shop! It provides both crucial income and a window to the work we do in looking after Radnorshire's wildlife.'
