30 Days Wild

Garden for Wildlife

Grassroots Challenge

### There are lots of ways you can get involved and help support our work for nature.

Join us at one of our [nature events](#) where you can get up close with Northern Ireland's weird and wonderful wildlife and see some of the best wild places our countryside has to offer.

This June, we're inviting everyone to take the [30 Days Wild](#) challenge and feel happier, healthier and more connected to nature this June. Sign up now and receive your free pack of goodies.

Perhaps you'd like to do your bit for nature, by joining our volunteer team? We have a range of [volunteering opportunities](#) available, both in our office and outdoors on regular or casual basis.

If you're aged 11-25, why not take part in the [Grassroots Challenge](#) and help lead local environmental projects, which will benefit your community? You'll gain lots of new skills, experience and confidence for employment, work towards an accredited qualification, as well as improving your neighbourhood.

If you're interested in a career in nature conservation - on land or at sea - but lack the skills or expertise to get a paid job, our one-year, paid [nature skills traineeships](#) might be of interest. Applications for 2016/17 will open in June 2016.
