Living Seas Activity Pack

This locally-focused pack can be used to aid in both formal and informal education and engagement with our local coasts and seas. It can be used as a resource to create and implement follow-up sessions after a Living Seas workshop, such as "Experiencing Our Seas", "Ocean Giants" or "Love Our Living Seaweeds" and links into the same themes with supplementary information and activity ideas.

LIVING SEAS ACTIVITY PACK

Guides to our coasts

These guides provide an introduction to our local seas and coasts, and why our seas are important for the life within them and for people all over Northern Ireland.

OUR LIVING SEAS COUNTY DOWN

Dip below the surface and discover why our seas are worth protecting

OUR LIVING SEAS COUNTY ANTRIM

Dip below the surface and discover why our seas are worth protecting

OUR LIVING SEAS COUNTY DERRY/ LONDONDERRY

Dip below the surface and discover why our seas are worth protecting

OUR LIVING SEAS NORTHERN IRELAND

Dip below the surface and discover why our seas are worth protecting
