Protect local wildlife

## Interactive Map

Hover over the markers

to find out about each species or habitat.

Development of this Interactive Map was possible due to the kind donation of icons by POLAR 10 Cardiff, photographs from people and organisations (see individual photos for accreditation), and footage from the [DOE – Marine Division](#), the [Wildlife Trusts](#), and the [Irish Basking Shark Project](#).

Funding to make this project happen was provided by Titanic Belfast, Crown Estate and the Marine Protected Areas Fighting Fund.
