### Have you been asked to join?

As a local charity we have many methods of inviting people to become supporters and make a regular donation to Ulster Wildlife.

Our friendly staff are present at our events, in supermarkets, garden centres and at third party events & festivals across Northern Ireland. All of our staff have identification badges and officially branded materials. If you have any concerns at all, please do not hesitate to contact us:

Email: [membership@ulsterwildlife.org](mailto:membership@ulsterwildlife.org) or call Vickie, Supporter Relationship Manager, on 028 9045 4094

Thank you for your support.

### Ulster Wildlife's Data Protection Promise

In light of recent press stories about charity fundraising we would like to reassure our members, supporters and volunteers that we have not, and never will, sell your details to third parties.

It is only with your valuable support that nature has a chance to thrive here in Northern Ireland.

You may change the way in which you receive information from us at any time by contacting us:

Email: [membership@ulsterwildlife.org](mailto:membership@ulsterwildlife.org) or call Vickie, Supporter Relationship Manager, on 028 9045 4094

We understand that you have trusted us with your personal data and in addition to our own high standards and values we are also organisational members of the Institute of Fundraising. Their strict policies regarding the protection of your data can be found at [www.institute-of-fundraising.org.uk](http://www.institute-of-fundraising.org.uk)

### Want to make a complaint?

Ulster Wildlife wants to exceed your expectation in everything we do. However, we know that there may be times when we do not meet our own high standards. When this happens, we want to hear about it, in order to deal with the situation as quickly as possible and put measures in place to stop it happening again.

We take complaints very seriously and we treat them as an opportunity to develop our approach. This is why we are always very grateful to hear from people who are willing to take the time to help us improve.
