Follow us

London's wildlife is incredibly special, with over 13,000 different species calling London home.

With your support we can:

- Care for more than 35 nature reserves across London
- Protect rare species and nature in the capital
- Challenge actions and developments that threaten wildlife
- Give London's children the chance to experience real wildlife and nature close to their own homes

You will receive:

- A copy of *Wild London*, our membership magazine, three times per year
- A [guide to our nature reserves](#)
- A monthly e-newsletter with the latest news, events and ways to get involved
- Invitations to exclusive member-only events
- Wildlife Watch mailings four times per year with a family membership, including an exciting welcome pack featuring the *Wildlife Watcher's Handbook*, stickers and badges.

Special December offer!

All new memberships taken in December 2018 will also receive a free copy of this easy-to-use Guide to British Mammal Tracks and Signs. With this fold-out guide you'll soon be identifying wildlife by their tracks, droppings, burrows and other signs.

Most supporters give an average of £5 per month. Our minimum membership rates are:

- Individual Member from £2.50 per month
- Joint Members from £3 per month
- Family Members from £4 per month

Every penny you donate above the minimum means we can do even more to protect and conserve London's wildlife and wild places, now and for future generations.

London Wildlife Trust membership makes the perfect gift for family and friends on a special occasion.
