Volunteer Opportunities

London Wildlife Trust provides vocational volunteering opportunities that are well structured and managed. We work with our affiliated union [Unite](#) to ensure internships are properly researched and focused on work experience.

In the year 2015-2016 we worked with 20 interns, of whom 17 found jobs directly after volunteering with us, five within the Trust itself.

Vocational volunteering posts are typically three days a week for three to six months. As voluntary placements these are unpaid but travel expenses within London zones 1-6 and lunch expenses will be reimbursed in line with the Trust's expenses policy.

Our current opportunities (if any) are listed below.

No current vacancies.

Why not check out our [volunteering pages](#) for details of voluntary opportunities at the Trust.
