Wild Workdays

Wild Workdays are the perfect opportunity for you and your colleagues to get outdoors and active, working together with colleagues to make a real difference to London's wild spaces.

Your staff can enjoy a wild team day as part of our [Investors in Wildlife](#) scheme or through a long-term [corporate partnership](#) with us. Wild Workdays take place on a number of our nature reserves across London.

“

Great day, great cause, fantastic leaders and thoroughly enjoyable! Really good experience to give something back to the community!

Benefits for you include:

- Group activities enhance team bonds and boost morale;
- Conservation tasks introduce new skills and improve communication outside the everyday working environment;
- Enjoyment of a rewarding day in an inspirational setting;
- The opportunity to engage and visibly contribute to the local environment.

Benefits for us include:

- London Wildlife Trust receives practical help at our nature reserves from highly motivated groups, completing work we wouldn't otherwise be able to do;
- Organisations and individuals, often without experience of wildlife or conservation, learn about the importance of conserving nature in an urban context.
