Corporate Membership

Join us

Protect local wildlife

Corporate Membership of Worcestershire Wildlife Trust is a great way for your business to show its commitment to the local environment and offers you the chance to demonstrate to staff, customers and the public, that you take your social and environmental responsibility seriously.

We aim to develop lasting relationships with companies and individuals who share our vision and support our conservation aims.

We believe that the business sector has a vital role to play in helping to sustain and protect our local environment and we look forward to building long lasting relationships with our Corporate Membership Partners.

Benefits

There are many opportunities available to your business through association with the Worcestershire Wildlife Trust.

Starting at £250, the corporate membership scheme is tiered to enable businesses of any size and from all sectors to join us. The range of membership options make it possible for your company to choose whichever level of support you feel best represents your aims and responsibilities.
