Follow us

We've got lots of opportunities for you and your family to get involved with wildlife.

Would you like your family to get closer to wildlife? Join in with one of our monthly [Watch](#) groups across the county or come along to one of our many holiday activities across Worcestershire and throughout the year.

In addition, Lower Smite Farm hosts [school visits](#) throughout the school year.

If you would like the opportunity to work with young people and wildlife we are always pleased to welcome volunteers to help with all these events and activities! Details of all our volunteer opportunities can be found [here](#).

Visit our [What's On](#) pages to see what activities we've got for families.
