Protect local wildlife

We've got eight local groups of volunteers across Worcestershire who organise walks, talks, fundraising events, volunteer work parties and survey work.

Our groups bring together people with an interest in celebrating and enjoying our county's wildlife.

You'll be made very welcome at their regular events whether you attend an interesting talk or a supermarket collection. You may even like to get involved with organising them!

Find out more about the activities and opportunities in your local area by clicking on the links on the left of the page.

You can also download our latest [Local Group What's On](#) guide.
