Imagine a Worcestershire rich in wildlife, brimming with wildflowers and abundant with birdsong.

We care for over 75 [nature reserves](#) - woods and heaths, pools and marshes, and meadows of international importance.

With support from our members we're making a real difference. With your help we can achieve so much more. We'd love you to join us and be part of something spectacular – together we can make a difference.

In the past 12 months our members have helped us to:

- Educate almost 2500 school children
- Create and manage 783 hectares of hay meadow and grassland pasture
- Record 18 dormice in 55 dormouse boxes Monkwood
- Provide overwintering habitat for over 3000 lapwing, teal and ducks at Hill Court Farm

We work with landowners, local authorities, organisations, communities and individuals we advise how to protect and create places for our wildlife.
