## Wildlife Heroes

Join us

Protect local wildlife

As part of the Trust's 50th birthday in 2018, we want to recognise and celebrate how people have helped protect and conserve wildlife in Worcestershire over the last 50 years.

Do you know someone who has dedicated an area of his or her garden to wildlife? Perhaps they have been busy building nest boxes or looking after a neglected public space and making it attractive for pollinators? Possibly someone has been living a plastic-free lifestyle? Maybe you know a group, business or school that has done their special bit for our county's wildlife.

Whoever it is or whoever they are, if they have made a difference for wildlife you can nominate them for a Wildlife Heroes award.

All Wildlife Heroes will receive an invitation to a special award event at Lower Smite Farm where they will be presented with an individual certificate to recognise their contribution, a specially commissioned pin badge and they will be added to our Wildlife Heroes county map.
