Protect local wildlife

Do you love wildlife and being outside? Do you want to learn more about your countryside? Do you want to do something different? Then Wildlife Watch is for you!

Wildlife Watch is our junior membership club - for children between 5 and 12 years old.

You could [join Watch](#) for just £15 a year – or £52 for your mum and dad (or nan & grandad) too! Your money will help us to look after wildlife and wild places near you.

Join a Wildlife Watch group near you!

Worcestershire has two Wildlife Watch groups where you can join other children in **games and outdoor activities** all about **nature and the environment**.

You'll also **make new friends** who like wildlife just as much as you. Even parents can go along too (if you're under 8 years old your parent/guardian must stay with you). There's usually a small charge per child to cover costs.

Find out more about the **wildlife activities** that are happening **near you**:

Guess what...

With Wildlife Watch you'll get loads of goodies - you'll receive a pack with badges, stickers, a pocket guide as well as regular magazines and local newsletter full of wildlife stories, craft activities for you to try and information about events you can take part in.

There's also a world of fantastic [online wildlife resources](#) for you to download and get involved with.

Watch groups also always need leaders so get in touch if you want to get involved!

Visit the Wildlife Watch [interactive website](#) for games and even more information than we can fit in here!
