

Quimper Identity Card

Mise à jour le : 25.07.2014 | 16h11

Administrative capital of Finistère, capital of Cornouaille, the influence of Quimper extends well beyond its status of medium-sized town (63,929 inhabitants).

This huge territory located in south Finistère on the Odet estuary encompasses historic and economic Cornouaille, and is distinguished by its lively and innovative character.

Culture, community life, leisure, environment... the Quimper urban area is an appealing active centre. At 15km from the Atlantic coast, opposite the Americas, Quimper is a town resolutely open to the world.
