

Aquarive leisure pool

Mise à jour le : 02.12.2011 | 17h18

The 25m sports pool allows swimmers to practise their sport in good conditions with long opening hours. Each week two evening sessions are organised until 22.00. The giant slide (60m long and 8m high), the wave pool and paddling pools are open to all, for family enjoyment or with friends or to improve water confidence in safety.

The Quimper Council lifesavers also offer, for your enjoyment, Aquagym sessions – Aquagym tonic, Aqua plus (swimming improvers for adults) and Aqua pleasure (gently overcoming water phobia).

The Aquababy session on Saturday mornings encourages you to spend some special time with your child in water heated to 32°. Aquarive also offers adults a moment of relaxation in jacuzzis, hammams and saunas. The 'massothérapie' (massage bed with unrestricted view over the Odet) is also reserved for adults.
