Description:

Club Revenge Brighton

Revenge first opened its doors back in 1991 and has maintained its position as one of Brighton's premier gay clubs since then. The club is comprised of 3 floors, and has been recently outfitted with outlandishly vibrant LED experience in the Box Bar. You'll also be greeted with a fabulous view of Brighton's seafront and pier when you're on the decked roof terrace.

Music is played by both local and international superstar DJs with the music ranging from top pop to well recognised house artists. Massive artists such as Sophie Ellis Bextor, Jedward, Ms Dynamite and many more besides.

Parties are what Revenge is really known for, and we're talking parties of all shapes and sizes. UV parties, foam parties, beach parties, bubble parties... the list goes on. Additionally, there's also theme nights which throw a curve ball in the mix, for example Hallowe'en events or even pirates 'n' pjs.

Revenge actively supports both local and national charities, raising thousands of pounds for various causes including Stonewall, Brighton Women's Centre and Breast cancer Awareness.

Revenge opens up every Tuesday, Thursday, Friday and Saturday – along with any Bank Holiday Sunday.
