## New Steine Hotel

New Steine Hotel is set in a Georgian townhouse located in central Brighton, It's certainly benefitted by a touch of French influence which will be surely felt not only in the décor but also in the food.

From the moment you arrive you'll be aware of the quality of service – the staff will pamper you and ensure that you're reminded you splashed out on a luxury hotel. You'll be given a guided tour of what's available in the hotel room and other services.

The fantastic food, excellent service and luxurious drinks are just some of the reasons that it was voted by Venere.com's users as top in overall rankings.
