## Number 14 Brighton

English Brighton Bed and Breakfast.

Number 14 has recently undergone complete refurbishment, its six en-suite bedrooms luxuriously furnished with its own individual flair. Located within the fairly peaceful Upper Rock Gardens, guests can enjoy a fairly peaceful stay, but also are a short walk from the centre of Brighton and the Seafront.

Because of its location, it's perfect for those who wish to enjoy Brighton's nightlife, or if you're more in the mood to relax at the beach front.
