Description:

In 1807, Coward's Guest House retains the charm and elegance of the regency period. All the rooms have been individually furnished to a high standard with your comfort in mind.

Breakfast is served until late in the dining room which has a view of the charming patio garden. Breakfast includes:

• Juice

• Teas

• Freshly cooked breakfast, including a vegetarian option

• Unlimited tea, freshly ground coffee or herbal teas

• Toast and a selection of jams & marmalade

We have six rooms at Coward's Guest House. Four are fully en-suite while two have an en-suite shower with a shared toilet. All are rooms individually furnished and have flat screen television, free Wifi, tea and coffee making facilities, and a fridge.

Many of our guests return to their favourite rooms, including the spacious first floor double room with its feature bow window and seating area.
