Hello experts, With due respect , I humbly like ask few things about choosing name and trademark registration . I am searching name for firm.

But whatever name I choose is already on the internet chosen by someone. Kindly tell the way or any official link to check that name if that is available to choose. I am going into solar business. Mainly as dealership or direct supply to clients as retail or trade. As it will be done by provider or manufacturer. Kindly guide which steps I need to follow to choose firm( Sole proprietorship) name. I highly appreciate your valuable advice. Kartar- 9888989331 Email- enterprisesgreenenergy@gmail.com
