Did you sign affidavit and terms and conditions of your employment?

It would be advisable to consult a local prudent lawyer with relevant record for proper appreciation of facts, guidance and proceeding.

From your post, I gather, you are totally confused..Affidavit is different from Agreement.I suppose what you have executed on Rs. 100/- Non judicial stamp paper is an agreement only between your so called employe and you to render specific service for a consideration. How could you sign the Agreement on Stamp paper online?Have you taken out a print of the agreement matter in the Stamp paper and sent the executed document to your employer through post/ courier? The manner you described the mishap is very confusing.

So in your best intrest , you may get in touch with a local experienced lawyer with docs. etc. and discuss all issues across the table for proper guidance.
