I recently attended an interview in a private company. Company asked me to submit certificates, blank cheque signed & promissory note before joining, so I agreed and signed but I didn't sign in agreement bond to work in the company. Now I don't want to join in the company but the company is threatening me to pay money to return all my certificates and signed papers. What should I do now to get back my certificates and papers?

🕒 12 February 2019

A Police Complaint in detail would fetch the remedy
