Hello all, I am working in a central govt institute where I currently have 30 days notice period (still in probation). I resigned in June and my last working days is 25th July. However, I haven't been paid for June.

Can an institute that follows central govt. rules and regularisation legally hold my salary for month of June?

Any help would be highly appreciated.

Even if you are on probation you can take legal action against employer for recovery of your unpaid dues.
