Hi All,

Need urgent advice.

I made some RTIs to DGP of [State Police](#) on my 498a/406/34 IPC FIR. The impact has been that the SP has directed the DSP to complete the investigations asap and to submit a report . This is what the SP has written to DGP in his letter in response to RTI application, and we have been provided copy of the same letter in response to RTI application.

The requested information although is denied stating that the case is still under investigation.

HOW CAN I ENSURE THAT POLICE FILES CORRECT INVESTIGATION REPORT AND NOT A COLLECTION OF LIES?

Can I consider writing to SP to give us a chance to have a look at investigation report before its filed?

Can I write a letter to [District Attorney/ Advocate General](#) etc. in this regard?

What else can be done. Senior members please help.

Advocates - who have been in such situations before for their clients, help me with some killer suggestions.

Hi Mdxyz,

If you have FIR copy with you then ask the police (IO, Inspector and his seniors via Registered post) through a letter or through RTI to supply the complete allegations details with evidence to get reply from you with your evidence before finalizing the charge sheet.

Then it's duty of the police to respond to you without fail else you will tell the court to return the charge sheet. Do not send your evidence prior to knowing the actual allegation because police may change the version of complainant such that case

become strong. Hence get certified copy of the complainant version and her supporters (witnesses) version then see whether all the details of the allegations are present or not viz, offence date, time, place and the witnesses for that allegation at the crime place etc.... then give your reply in details and the evidence that is available etc.... send this reply to all police officers so that the IO can not do anything wrong to you....

Again telling you after getting the complete crime details only you give your reply till then do not commit and do not disclose your evidence else police will take chance to frame a good story for which your evidence will not be sufficient to defend yourself....

My brother is contesting on his own against the false cases. 498a was filed in year 2006 and the police has submitted the chargesheet to the court...can he file a rti application to the same police station for getting to know the process they followed while arresting myself and my family members
