Your GFs land is occupied by some one. Your GF has to file a case in the civil court to declare him as owner of the land.

Directly you cannot file a case to high court. If the matter is related to grant of land then land Tribunal has jurisdiction, but in your case some one is occupied the land, so civil courts have got jurisdiction to try such suits.

Dear,

As per CPC provisions you can file the suit in competent court (which has primary jurisdiction not HC) which have jurisdiction on:

- 1) where the disputed property situated or
- 2) where one of the party to the case:
  - a) resides in ordinary course or
  - b) resides or do business in ordinary course. etc..

and pecuniary jurisdiction will also be consider before filing the suit.
