as per me its marriage. story started in Manali I got married there in 2000 and my husband he was my senior. After few mnths got shifted to Delhi that is my native place. I was expecting got deliver a baby boy in 2001 after few mnths my husband character started coming in front of me like he use to flirting around a lot with girls had many times fight, still life was going on most of time he was without job and I use to take help from my parents for survival. In2004 I gave birth to baby girl. in 2005 my husband went to Canada to work with his sister but as she was I'll treating him he came back after a year than layer again he said I just have to lie that I left u all and I will get another chance to go to Canada again in 2007 he went back since than neither he has come back nor he is sending any money for us. I am dependent on my parents and now lawyers i met they are saying fees will be around 1lac but still if he doesn't appear or no one appear in court case is helpless. I am under debths and now I want justice for my children and myself. for atleast 5 yrs he kept on making us fool that he is calling children to Canada we had been for DNA for interview but lastly nothing happened and now I am 41 with no earning and want real lawyer who can give right suggestion and can help me to get justice

Mm. it would be very difficult for any lawyer to impress upon the local Indian court to force your husband in Canada to appear before it in a case of abandoning his family, divorce or DV etc etc. Please don't waste your time, energy and money to achieve the impossible. Instead search some fruitful job and take care of yourself and your children.

I just wanted to save you from the big promises of the lawyers who would pluck the stars from the sky if you engage any. Nonetheless, if you wanted the real answer then YES, I would have suggested the same to my own sister, because I don't find any solution in such problems, but please avoid such rhetoric. My daughter with the grace of God is well settled and is a class-1 officer in the State Government. In the end, I have nothing personal against a stranger named Preeti Saharavat. Sorry for the inconvenience which I have caused to you with my unpleasant suggestion.
