I have got married in 2014, but its found that she is mentally disorderd, so we have taken decision to Seperate, so i filed petition to get divorce in district court, after tht she filed petition to get interim/ alimony, after one year(2016) she given police complaint, and 498 case in taluka court, still i didn't got divorce, so whether changing religion can help me to get divorce?

You wanna change religion to escape the consequences of sec 498? Sorry you are certainly mistaken.
