As the partition deed is registered it is impossible. But land value is sky rocket. So miracle may happen on advocates kai chalaka.be careful .u pledge Ur land and secure heavy loan on that property.

Mere filing of a partition suit (As court fees are nominal) is only as a threat and derive a benefit of compromise. Partition can also be oral and if you are enjoying the property for over 20 years and the revenue records are in your name and both the brothers are in good terms and living close, the case can not succeed.

Please file RTI Application and seek certified copies of those documents basing on which your brother has mutated his property in his name and it will certainly be helpful in your case.
