Sir

My cousin runs a coaching institute in Delhi

He gave a few companies franchise of the same in cities like Delhi and UP

As one of the franchisees could not run the business He came to the office in Delhi with 20 people and threatened my cousin and forcibly took cheques of the deposit amount that was given by him when he took.the franchise

The agreement had no clause of refund of payment incase of failed franchise

How can my cousin protect himself from.such goons again as most of the time my cousin is alone in office
