# Wife cannot continue to sit idle and expect husband to maint

10 months ago 2 Replies

Report

Kinchit

Points: 27

The judge observed that both the husband and the wife are well qualified. Both are capable of earning. Both were employed before marriage. Both were earning before marriage. But now both the husband and wife submit that they are not employed. Both have tried to prove that they are feeling depressed on account of litigation they are fighting against each other and hence they are not able to focus on their jobs.
