An employer has the right to terminate its employee, however Court decides only whether termination was valid or not. Now choice is yours whether you would approach a court or waste your time for some miracle.

My dear brother Pankaj, if you consider your termination to be illegal then please collect the evidences to strongly plead your case. If Kalyan court is taking undue time then move an application u/s 482 Cr Pc to Bombay HC against Kalyan court for issuing order to decide the case within 6 months

Illegal or wrong, meaning is the same that you were illegally terminated or wrongly terminated. We all wish you good luck if you are not at fault.
